A long time ago, our church was very small.

Friends who loved Jesus met at a school... and even under a tent!

That was the start of our church family!

Kids learn and make friends.

Jesus loves the kids at our school!

Now kids come to CKids!

We sing. We play. We learn that Jesus loves us.

Big kids have fun with their friends at church too!

Our church helps people who need food.

We share bags of food with happy smiles.

Our church is 44 years old — and it is still growing!

Jesus loves our church family. You belong here!

WHAT WE LEARN

Our church started small — just a few friends who loved Jesus. Now our church family is celebrating 44 years — and it is still growing! We sing, we learn, we help people, and we love each other. Jesus loves our church family.

For you: You are part of our church family. Jesus loves you!
