Nothing can ever stop God from loving you.

Not ever.

WHAT WE LEARN

God loves you more than you can imagine — bigger than the sky and deeper than the sea. He showed His love by sending His Son, Jesus. We didn't have to earn it; God loved us first, just because. And nothing can ever stop God from loving you.

For you: Whenever you feel sad, small, or unsure, remember the biggest truth of all: God loves you, He always has, and nothing will ever change that.
