

KIDS BIBLE CLASS · OCTOBER — WEEK 3

Elijah and the Widow

1 Kings 17:1-16

Who's got it?

"Trust in the LORD with all your heart."

Proverbs 3:5 (NIRV)

God's got it!

Image 1

Elijah was a prophet — he listened to God and told people what God said.

God told him there would be no rain for a long time.

Then God told Elijah to live by a stream so he would have water.

Image 2

God made sure Elijah had food, too — in a really cool way!

God sent birds to bring Elijah bread and meat every morning and evening.

God took care of Elijah!

Image 3

When the stream dried up, God sent Elijah to a town.

A widow there had only a little flour and oil left for her and her son.

She was very sad — after that bread, their food would be gone.

Image 4

Elijah said, "Don't be afraid. Make a little bread for me, then for you and your son."

God promised their flour and oil would not run out.

The woman trusted God and did what Elijah said.

Image 5

Just like God said, the jar always had flour, and the jug always had oil!

God took care of Elijah, the widow, and her son.

We can trust God no matter what — because God's got it!

WHAT WE LEARN

When there was no rain, God took care of Elijah with water and food from birds. Then God took care of a widow and her son — their flour and oil never ran out.

For you: When you worry about what you need, remember God takes care of you. You can trust God no matter what — because God's got it!
