A long time ago, God's people were in Egypt. A mean king made them work very hard.

God chose a man named Moses to help lead them to a new home.

But Moses was a shepherd — he usually took care of sheep!

Image 2

One day Moses saw something amazing — a bush on fire that did not burn up!

There was no smoke. Moses had never seen anything like it.

He walked closer to look.

Image 3

Then God spoke to Moses from the bush! God knew Moses by name.

God said He would use Moses to rescue His people.

Moses felt nervous. He said, "I am not important enough."

Image 4

God asked, "What do you have in your hand?" It was a walking stick.

When Moses threw it down, it became a snake — then back into a stick again!

God showed Moses that God can do anything.

Image 5

God said, "I will be with you."

Moses was still a little afraid, but he trusted God.

We can trust God too — because God's got it!

WHAT WE LEARN

God spoke to Moses from a burning bush and asked him to help rescue God's people. Moses felt scared and not important enough, but God promised, "I will be with you," and showed Moses that God can do anything.

For you: When something feels too big for you, you can trust God. God's got it — and He is with you.
